

ACCOUNTANTS' COMPILATION REPORT

Management Orange County Power Authority

Management is responsible for the accompanying financial statements of Orange County Power Authority (a California Joint Powers Authority) which comprise the statement of net position as of March 31, 2024, and the related statement of revenues, expenses, and changes in net position, and the statement of cash flows for the period then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the accompanying statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, conclusion, nor provide any assurance on these financial statements.

Management has elected to omit substantially all of the note disclosures required by accounting principles generally accepted in the United States of America in these interim financial statements. Orange County Power Authority's annual audited financial statements include the note disclosures omitted from these interim statements. If the omitted disclosures were included in these financial statements, they might influence the user's conclusions about the Authority's financial position, results of operations, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to the Authority because we performed certain accounting services that impaired our independence.

ACCOUNTANTS' COMPILATION REPORT

Board of Directors Orange County Power Authority

Management is responsible for the operating fund and program fund budget comparison reports of Orange County Power Authority (OCPA), a California Joint Powers Authority, for the period ended March 31, 2024, and for determining that the budgetary basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the accompanying statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any assurance on this special purpose budgetary comparison statement.

The special purpose statement is prepared in accordance with the budgetary basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. This report is intended for the information of the Board of Directors of OCPA.

Management has elected to omit substantially all of the note disclosures required by accounting principles generally accepted in the United States of America in these interim financial statements. OCPA's annual audited financial statements include the note disclosures omitted from these interim statements. If the omitted disclosures were included in these financial statements, they might influence the user's conclusions about the Authority's financial position, results of operations, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to OCPA because we performed certain accounting services that impaired our independence.

ORANGE COUNTY POWER AUTHORITY BUDGETARY COMPARISON REPORT Nine Months Ended March 31, 2024

Budget Item	Actual / Budget %	Comment
Electric Sales Revenue	100.6%	Year-to-date energy sales are more than forecast by approx. \$1.6M or 0.6%. Sales revenue includes revenues actually billed to customers as well as estimated customer usage during the reporting period that is not yet billed.
Cost of Energy	95.9%	The variance is affected by increased energy purchases required to provide for greater than expected customer load. Also affecting the variance is the timing difference between projected and actual delivery of Renewable Energy Certificates (RECs) and fluctuating market prices.
Data Manager	100.1%	These are Calpine fees charged on a per active account basis.
Service Fees - SCE	88.5%	These are SCE fees charged on a per customer basis.
Personnel	75.4%	Staffing expenses are under budget due to the timing delay of new hires.
Professional Services	81.2%	This category includes accounting and audit, rates and financial & planning analysis, portfolio management, scheduling coordinator, HR including recruitment services and compensation study, IT, and other consultants.
Legal Costs	84.4%	This category includes outside legal costs for general counsel, energy procurement transactional support, labor, clerk support, regulatory, member agency withdrawal, and RA appeal services.
Marketing and customer enrollment	96.4%	This category includes advertising, strategic marketing & communications, digital marketing and website development and hosting, collateral marketing, translation, sponsorships & memberships, promotional items, required customer notifications printing and mailing.
Other General & Administrative	98.6%	This category includes ordinary G&A including rent, CalCCA membership, general business insurance, small equipment and software, travel, business meals, professional development, and office supplies.
Interest and financing expenses	92.1%	This category includes interest and fees related to Letters of Credit posted for collateral on energy supply.
